With recent federal and provincial funding commitments, and new municipal partnerships, the outlook for co-operative housing in BC is brighter than ever. To keep the momentum going, CHF BC is seeking passionate and resourceful co-operators to join our board and help shape a future where housing co-operatives are proven contributors to a stable, long-term supply of permanently affordable housing.

Members of the Board of Directors are responsible for governance of the Federation, providing overall direction for CHF BC, including approval and evaluation of CHF BC's strategic vision and policies. Directors are elected for two-year terms at the CHF BC AGM held during the Housing Central Conference on November 18, 2018.

There are five (5) vacancies to be filled at this AGM. The deadline for application is November 12th.

We are looking for candidates with a strong commitment to co-operative housing and who are genuinely interested in protecting and expanding co-op communities.

CHF BC invests in the professional development of its directors. This is a great opportunity to gain valuable governance experience and to work with an organization whose mission is to promote a thriving future for BC's housing co-ops.

You can run for election if:

- Your co-op is a member of CHF BC whose dues are current
- You are 18 years of age or older
- You have not been found by a court to be incapable of managing your own affairs
- You do not owe your housing co-op any money, and
- You are not an undischarged bankrupt.

If you are interested, please complete the [application form](#) and email to members@chf.bc.ca.
