Workshops

Housing Co-op Governance, Looking Forward

10:00am – 1:00pm

Facilitated by Kerry Panter, CHF BC Member Services Director

Housing co-op governance models have remained unchanged for decades. It's time for a fresh start. Join us for a workshop that will provide best practice tips for meeting and new tools you can use to raise the bar on director terms, qualifications and elections. We'll look at some new governance models that BC co-ops are exploring right now and generate a takeaway list of creative governance ideas you might try.

Turning Point

1:45pm – 4:45pm

Facilitated by Michael Rodgers, CHF BC Co-op Viability Director

2017 is the peak year for the expiry of co-op operating agreements in BC. We'll take a look at what to expect, what to plan for, where your co-op fits in the broader picture, and the resources available to help you deal with the issues that are critical to your future.
