To: Marina Housing Co-op Applicants

Thank you for your interest in our Cooperative! Marina Housing Cooperative Association is a 63 suite, 7-storey apartment building located in False Creek at the foot of Fir Street. We have one, two and three bedroom suites, four of which are accessible for people with disabilities. Our membership is composed of singles, couples and families of all ages. Members are permitted one pet per suite; exotic pets and snakes are not permitted. There is underground parking; if you have a vehicle, you will be offered a parking space upon availability.

We are unable to offer rental assistance to incoming members.

At this time, our household annual minimum income qualifications are:

One bedroom – \$72,500
Two bedroom – \$90,000
Three bedroom – \$107,500

Please note these minimum income requirements are subject to change without notice

Income reviews and credit checks will be conducted once an applicant is shortlisted for a unit.

To become a Co-op member you must purchase shares. The share purchase prices effective May 27 2024 are as follows:

One bedroom \$3000.00
Two bedroom \$3700.00

Three bedroom \$4200.00

When a member leaves the Co-op, the amount of refundable shares depends on the length of residency and the condition of the unit.

Our units have minimum occupancies according to number of bedrooms:

One bedroom: minimum 1 person

Two bedroom: minimum 2 people

Three bedroom: minimum 3 people, with a minimum of 2 dependents

Organization of the Cooperative:

The Board of Directors is legally responsible for the business affairs of the Co-op. All Committees report to the Board. They are as follows:

The **Maintenance Committee**, which administers and monitors the physical building. The **Membership Committee** orchestrates move-ins and move-outs, and determines eligibility for membership. The **Finance Committee** monitors the financial affairs of the Co-op. The **Newsletter Committee** publishes a newsletter. The **Social Committee** organizes group social activities. The **Landscape Committee** maintains the gardens. Other committees include **Land Lease, Parking, and Safety and Security**.

Each member is expected to participate on a committee, attend General Membership meetings, and help at occasional work parties.

Applicants are required to come to an orientation meeting, after which the Membership Committee makes arrangements to interview all interested applicants. Once a suite becomes available, it is shown to eligible applicants. The Membership Committee at that point makes its recommendations to the Board of Directors.
