

CALL FOR NOMINATIONS

CENTURY OF CO-OPERATION AWARDS

CHF BC's Aging in Place Committee is seeking nominations for the Century of Co-operation Award.

Are you eligible for our Century of Co-operation Award? Do you know someone who would be eligible for this honour?

Members living in a CHF BC member co-op will be eligible if their years of age plus the length of time living in co-op housing adds up to 100 or more. Members who have received this award in previous years are not eligible.

Here's how to calculate if you or another member would qualify for this award:

Member's age + length of time living in co-op housing (current co-op or other co-op)= 100 (or more).

For example, an 80-year-old who has lived in a housing co-operative for 22 years qualifies with a total of 102 years.

Please complete and submit this form by **September 9, 2024**. If you would prefer, you can use the QR code below to submit an [electronic form](#).
